General & Horticultural Rules and Regulations

- 1) The AVSA Handbook for Growers, Exhibitors and Judges, 2016 edition and changes published in the African Violet Magazine will be the authority in all cases not covered by a specific rule.
- 2) All exhibitors must be members in good standing of the Toronto African Violet and Gesneriad Society, and have joined before February 1, 2018 in order to be eligible to enter their plants for judging. If there are no commercial classes in the show, commercial members may enter any class.
- 3) Exhibitors in Class 2 and Class 3 must be members of the African Violet Society of Canada. Registration numbers to be on the entry tag. One collection per exhibitor is allowed in each class. AVSA membership number required.
- 4) Exhibitors in Class 4, Class 5 and Class 6 must be members of the African Violet Society of America. AVSA registration numbers to be on the entry tag. One collection per exhibitor is allowed in each class.
- 5) Exhibitors in Class 7, Class 8, Class 9 and Class 10 must be members of the New York State African Violet Society. AVSA membership number required. Registration numbers to be on the entry tag in class 6. One collection per exhibitor is allowed in each class.
- 6) **Exhibitors must submit an entries list of all plant and design entries to Karin Brockmueller by Friday, April 5, 2019, one week prior to show. Email is preferred. E-mail: k.brockmueller@gmail.com. If email is not available, then contact Karin Brockmueller in person at a meeting, or telephone: (647) 632-0679. If assistance is needed, to classify the entries in the proper classes, please see Doris Brownlie at one of the meetings or contact her by telephone at (905) 270-6776.**

- 7) **Show entries will be accepted on Saturday, April 13, 2019, between 9:00 A.M. and 12:00 Noon. Entries will close promptly at 12:00 noon and plants received after that time will be accepted for display only. This rule also applies to pre-entered plants. All exhibits must remain on display, until the show closes at 4:00 P.M., Sunday April 14, 2019.** After entry exhibits may be moved or touched only by the Classification, Entries or Placement Committee personnel with the exception of Design Division entries.
- 8) **Judging will start promptly at 2:00 p.m. Saturday, April 13, 2019.** Judges will be AVSA judges.
- 9) All exhibits will be merit judged by AVSA judges in good standing. Only Blue ribbon African violet plants will be eligible for Society or other Special Awards. The decision of the judges shall be final.
- 10) A Novice is an exhibitor, who has never won a blue ribbon in the horticultural section of an African Violet Society of America (AVSA) or affiliate judged Show. Only blue ribbon African violet plants of a novice exhibitor will be eligible for the Best Novice award.
- 11) The Sweepstakes Award is given to the exhibitor who wins the most blue ribbons in the Horticulture Division. Collection exhibits AVSA, AVSC and TAVS will be counted as three exhibits. In the event of a tie, Red Ribbons will be counted and then White Ribbons.
- 12) Reasonable protection will be provided, but all entries are made at the exhibitor's risk. The Toronto African Violet and Gesneriad Society will afford all possible protection to exhibits, but cannot be responsible for any loss or damage to plants.
- 13) All Horticultural entries must have been in the possession of, and grown by the exhibitor for at least three (3) months prior to the Show.
- 14) Plants must be named varieties, correctly identified, and are subject to correction by the Classification Committee. AVSA Master List, First Class and AVSA registration lists, plus updates will be available.
- 15) An exhibitor may enter any number of plants in each class but only one plant of a variety may be entered in the same class.
- 16) All African Violets exhibits must be in bloom, species may be single-crown or multi-crown, trailers must have 3 or more crowns.
- 17) All entries must be clean, disease and pest free and are subject to inspection prior to entry.
- 18) Collars, supports and grooming aids must be removed.
- 19) Exhibitor's name and variety should be taped on bottom of pots of African violet plants or if slip potted, on the inner pot. If not concealed, all labels and wicks shall be removed. Pots must be clean, green plastic. Plants in unusual, novel or decorative containers are allowed where indicated in the schedule.
- 20) Exhibitors wishing to sell any or all of their show plants must indicate the selling price on the entry form at the time of entry. 20% of the selling price will go to the Toronto African Violet and Gesneriad Society.
- 21) Classes may be subdivided at the discretion of the Show Chairman.
- 22) Plants in an unusual, decorative, or novel container consists of only one African violet planted in the container, not root wrapped, without any other plant material. Exhibit should be of horticulture value. One entry per exhibitor.

Design Division Rules

- a) **Space must be reserved for entries in the DESIGN Division (including container gardens) by mail, e-mail or telephone by Friday, April 5, 2019 with Julie Thompson, 172 Frankford Rd. Foxboro, Ontario, K0K 2B0 – Tel: (613) 966-1180 – email: jmthompson50@xplornet.ca Space is limited, so reserve early. Please state the class when making reservations. Exhibit reservation cancellations must be made prior to set-up of the niches/spaces.**
- b) Design classes shall be open to all Toronto African Violet and Gesneriad Society members in good standing.
- c) Exhibitors are limited to one entry in each class or sub-class.
- d) All design set up will commence at 9:00am on Saturday, April 13, 2019. **Exhibitors and materials must be out of the show area by 1:30 pm.** Exhibitors are permitted to replace spent blossoms with fresh ones only after judging is completed.
- e) All entries in the Design Division must be the work of the exhibitor. Plants need not have been grown by the exhibitor and may be purchased at any time for Design Division exhibits, but must be disease and insect free.
- f) African violets must be the highlight of the design with the exception of container gardens. No artificial plant materials will be permitted. However, dried, treated, painted or colored plant material is allowed (except in container gardens).
- g) White 3"x5" cards must accompany all entries in the Design Division showing the name of the Class and all materials used.
- h) Base and draping will be permitted in all classes except container gardens or where specific restrictions apply to certain classes. Accessories are permitted in all classes.
- i) No exhibit shall be removed after entry. Exhibitors shall replace spent blossoms with fresh ones as needed (after the judging is completed).
- j) The Sweepstakes Award is given to the exhibitor who wins the most blue ribbons in the Design Division. In the event of a tie, red ribbons will be counted and then white ribbons.

- k) Please state the size of container garden when making reservations. **Exhibitors MUST cancel reservations PRIOR to set-up of the niches/spaces.** Container gardens without reservations will unfortunately NOT be accepted for entry or exhibit.
- l) The American flag, state flags, flags from other nations, plants on the endangered list from any state or nation, artificial plant material and live creatures shall not be used in any design division exhibit.
- m) A Novice is a designer who has not won a blue ribbon in the design division of an AVSA Standard Show. All designs classes are open to the novice designer and will be marked as "Novice".
- n) Toronto African Violet and Gesneriad Society will not be responsible for any lost or damaged items.
